Join a legacy of success. 🏆
Let's build your future, together.

Introduction

Lancet Classes, established in 2002 and located in Mankhurd, Mumbai, is a premier coaching institute committed to academic excellence and competitive success. With the motto "Talent Enhanced," we strive to bring out the best in every student by transforming their abilities and skills into measurable academic results.

We believe that success begins early, and by identifying and tuning a student's capabilities at the right time, excellence becomes achievable. With over two decades of experience, we specialize in preparing students of Class 11 and 12 (HSC & CBSE Boards) for their board examinations as well as for competitive entrance tests such as JEE, NEET, and MHT-CET.

**Our team of
dedicated
educators**

**Result-oriented
approach**

**Structured
curriculum**

Lancet Classes helped countless students unlock their true potential and secure admissions into top engineering and medical colleges across the country. At Lancet Classes, we don't just teach — we mentor, inspire, and empower students to excel both academically and personally.

***We believe in more than just marks
We believe in mastery***

1. Expert Faculty

2. Board + Entrance Coaching

3. Regular Tests & Doubt Solving

4. Focused, Small Batches

Vision

At Lancet Classes, our vision is to be a transformative force in the field of science and competitive exam education — not just by preparing students for exams, but by shaping them into curious learners, critical thinkers, and responsible citizens.

We envision a future where every student, regardless of background, has access to quality education, personalized guidance, and the tools to reach their maximum academic potential. Our goal is to build an institution that is respected for its integrity, innovation, and impact — where excellence is not just a benchmark, but a habit.

We aim

- **Become a benchmark institute in Mankhurd and across Mumbai for coaching in Class 11–12 (HSC & CBSE) and competitive exams like JEE, NEET, CET.**
- **Create a learning environment that goes beyond rote memorization — focusing on conceptual clarity, curiosity, and confidence.**
- **Build a vibrant community of students, parents, and educators who work together to achieve academic excellence and personal growth.**
- **Ultimately, our vision is to see Lancet Classes stand as a trusted symbol of educational quality, where every student's dream matters, and where success is a shared journey — one student, one goal, one future at a time.**

Mission :

At Lancet Classes, our mission is to empower students with the knowledge, skills, and mindset needed to excel in their academic journeys and competitive exams — while nurturing values that shape them into well-rounded individuals. We are committed to delivering high-quality, student-centered education for Classes 11 and 12 (HSC & CBSE), as well as expert coaching for JEE, NEET, and MHT-CET, through a holistic and disciplined approach.

Academic Excellence with Conceptual Clarity

We believe success in board and entrance exams stems from a strong understanding of core concepts, not just rote learning. Our mission is to develop critical thinking, logical reasoning, and problem-solving skills through well-structured lesson plans and interactive teaching

Expert Faculty and Personalized Mentorship

We strive to maintain a team of dedicated, passionate, and qualified educators who serve not just as teachers but as mentors. Through small batch sizes, regular doubt-solving, and one-on-one attention, we ensure that no student is left behind.

Our mission is guided by the following core principles

Integrated Preparation for Boards + Competitive Exams

We offer a comprehensive curriculum that synchronizes board syllabus (HSC/CBSE) with competitive exam patterns (JEE/NEET/CET), allowing students to prepare for both without unnecessary stress or confusion.

Regular Assessment and Performance Tracking

To help students stay on track, we conduct weekly tests, mock exams, and progress reviews. Performance data is shared with both students and parents, helping identify strengths, address weaknesses, and set clear academic goals.

Use of Modern Teaching Tools & E-Learning

We aim to keep pace with changing educational trends by integrating digital tools, visual aids, and smart learning techniques that enhance understanding and retention.

Character Building and Discipline

Beyond academics, we emphasize the importance of discipline, consistency, and moral values — traits that build not just successful students, but responsible individuals

Inclusive and Supportive Learning Environment

We believe every student has potential. Our mission is to create a positive, pressure-free environment where students feel safe to learn, make mistakes, ask questions, and grow — regardless of their starting point.confusion.

In essence:

Our mission at Lancet Classes is to serve as a launchpad for academic excellence and personal growth empowering students to dream big, work hard, and achieve success in board exams, competitive tests, and in life.

Courses :

Advantages of taking admission into early batches:

FIRST MILESTONE

Early preparation fosters solid foundational knowledge.

SECOND MILESTONE

Allows more time for comprehensive understanding and retention of concepts.

THIRD MILESTONE

Reduces stress and pressure closer to exam time.

FOURTH MILESTONE

Facilitates gradual skill development and problem-solving abilities.

FIFTH MILESTONE

Provides ample time for exploring advanced topics and specialized areas.

SIXTH MILESTONE

Maximizes chances of securing top ranks & coveted seats in institutions.

Builds a disciplined study routine for long-term academic success.

SEVENTH MILESTONE

Offers opportunities for personalized learning and targeted improvement.

EIGHTH MILESTONE

Enhances time management and exam-taking strategies.

NINTH MILESTONE

Increases familiarity with exam patterns and question types.

TENTH MILESTONE

3 Year Program for JEE/NEET (For class 10 moving students)

Our 3-Year Integrated Program is designed for students starting from Grade 10, providing an early foundation for success in IIT-JEE and NEET.

This course focuses on developing strong conceptual clarity and introducing key topics from Classes 11 and 12, giving students a significant head start in their preparation. By building this foundation early, students gain :

A competitive edge

Enhanced critical thinking skills

Improved problem solving abilities

Greater confidence in tackling complex concepts

Through structured mentoring and progressive learning, the program nurtures a mindset geared toward academic excellence and long-term success in national-level competitive exams.

2 Year Program for State/CBSE board + JEE/NEET/CET:(for Class 11 moving students)

The 2-Year Program at Lancet Classes is a focused and comprehensive course for students entering Class 11 (State Board or CBSE), aimed at delivering complete preparation for both board exams and competitive entrance tests like JEE, NEET, and MHT-CET

This program is built on our proven approach:

**Strong
fundamentals first**

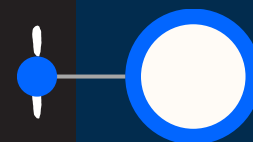

**Advanced
application next**

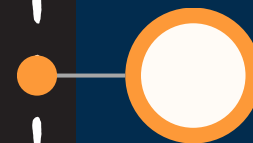

**Exam mastery
always**

Students are taught to develop deep conceptual clarity in Physics, Chemistry, Biology, and Mathematics, while simultaneously being trained in the rigorous formats of entrance exams.

THE COURSE IS STRUCTURED TO HELP STUDENTS

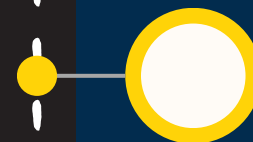

**Master the school syllabus
(HSC/CBSE) with confidence.**

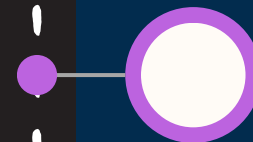

**Transition seamlessly into
competitive exam-level
problem-solving.**

**Build a strategic mindset for time
management and accuracy in exams**

**Transition seamlessly into
competitive exam-level
problem-solving.**

**Build a strategic mindset for time
management and accuracy in exams**
